PES 2012 Clinical Update Course in Pediatric Endocrinology
Thursday, April 26 – Friday, April 27, 2012
Boston, MA

Course information
Not keeping up with advances in Pediatric Endocrinology? The Pediatric Endocrine Society Clinical Update Course can help get you back on track. The Clinical Update Course is the premier educational opportunity offered by the Pediatric Endocrine Society in 2012 and the only course covering the breadth of the field. With presentations by leading faculty, the course combines targeted reviews and latest advances in a wide range of topics in Pediatric Endocrinology.

Hotel
The Hilton Boston Back Bay hotel is located at 40 Dalton Street, Boston, MA. It is one of the many PAS contract hotels. To take advantage of the PAS convention rates at any of the available hotels, be sure to book your room as soon as possible, and prior to March 30. All housing information can be found here: http://www.pas-meeting.org/2012Boston/Reg_Housing/Housing.asp.

Program/Event Description
The Pediatric Endocrine Society Clinical Update 2012 combines clinical review and updates on latest advances in a range of topics, with didactics, formal and informal question/answer sessions, and social opportunities with educational leaders in the field.

Objectives of the Program
After completion of the PES Clinical Update Course, the participant will be able to:
1. Discuss the newest diagnostic techniques for many endocrine disorders of childhood
2. Describe the newest management techniques for an array of endocrine disorders
3. Implement changes in medical practice based upon new knowledge of treatment and evaluation of pediatric endocrine disorders.

Target Audience
Pediatric Endocrinologists and other physicians, and allied health professionals interested in a rigorous and cutting edge update in Pediatric Endocrinology.

Accreditation Statement
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the Institute for the Advancement of Human Behavior (IAHB) and the Pediatric Endocrine Society (PES). The IAHB is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement
This activity has been approved for AMA PRA Category 1 Credit(s)™.
