   Bruce Boston, director

Program Ideas for 2015 in San Diego. Please send topics to Dorothy Shulman: dshulman@health.usf.edu

INTERNATIONAL MEETINGS:
53rd Annual Meeting of ESPE in Dublin, Ireland, September 18-20, 2014. ESPE welcomes you with a céad mile failte which in Gaelic means “100,000 welcomes”. The theme of the meeting is ‘Prevention and Therapeutic Innovations in Paediatric Endocrinology’.
NEW WEBSITE ADDRESS: https://www.pedsendo.org. Please replace the old website address in your favorites list. Going directly to this new address (as opposed to being routed here by the old address) ensures a seamless member-only login experience.

JOBS in pediatric endocrinology are now easier to access on the website (no member log-in required).

As this is my last Presidential letter, I wanted to share with you a few of my thoughts. PES is an exciting and rapidly maturing organization with a new and wonderful team at Degnon who have worked diligently on our behalf. I am indebted to all the Officers and Directors on our Board for their constancy and support. It has been a marvelous team effort to move the organization in new directions. I look forward to working with the new Board of Directors as Immediate Past President and supporting Mitch Geffner during his tenure as President. In addition I am grateful for all of the work that members have contributed to their Committees and Councils. Without you, we would go nowhere. This is your organization and I would encourage, particularly you newer (and younger) members to get involved. Finally I would like to thank Charlotte Boney for her honest and straightforward but thoughtful feedback and her help in drafting all of the President letters; Peter Lee for his solid advice and insights, and to Steve Chernausek for his constant support, advice and hard work on behalf of the Society. It has been my pleasure to serve you. Thank you.

See you in Vancouver! Safe travels!

Sincerely,

Morey W. Haymond, MD, PES President
Charlotte M. Boney, MD, PES Board Member
