2016 Interactive Pediatric Endocrinology Clinical Update and Case Discussion Course

April 28 -29, 2016

Baltimore, MD
The Grand
PES 2016 Interactive Pediatric Endocrinology
Clinical Update and Case Discussion Course
April 28 - April 29, 2016 ~ Baltimore, Maryland

New Course information!
Want a chance to update your clinical knowledge, earn CME, and bring your cases for discussion with colleagues and leaders in pediatric endocrinology? PES is excited to announce this new course for 2016!

The PES Interactive Pediatric Endocrinology Clinical Update and Case Discussion Course will highlight clinical challenges encountered in Pediatric Endocrinology practice and provide an opportunity for extended discussion of patient cases with peers and experts in the field. The course will feature both interactive didactic sessions and dialog between attendees and experts so that attendees may share their own challenging cases.

Program/Event Description
The course will address areas of Pediatric Endocrinology that offer clinicians the greatest challenges, including disorders of growth, bone, diabetes/obesity, lipids, endocrine neoplasia, and endocrine genetics. The course will also emphasize newer therapies that have recently become available, as well as therapies on the horizon.

Objectives of the Program
The course will provide a comprehensive review of Pediatric Endocrinology where the learner will be able to:
1. Discuss the newest diagnostic techniques for many pediatric endocrine disorders.
2. Describe the newest management techniques for an array of endocrine disorders.
3. Have the opportunity to consult with experts about difficult clinical cases.
4. Implement changes in medical practice based upon new knowledge of treatment and evaluation of pediatric endocrine disorders.

Target Audience
Pediatric and Adult Endocrinologists, and other physicians, and allied health professionals interested in a rigorous and cutting edge update in Pediatric Endocrinology as well as in-depth challenging case discussions.

Location/Hotel
The course will be one and a half days (April 28-29) in Baltimore, Maryland immediately prior to the Annual PES/PAS meeting and will take place at The Grand located at 225 N. Charles Street, Baltimore, MD 21201. This is adjacent to the Embassy Suites (by Hilton Baltimore Inner Harbor Hotel), which is one of the many PAS contract hotels and will have special convention rates. To take advantage of the PAS convention hotel rates you must book your room separately through the PAS website: www.pasmeeting.org. All housing information will be available in December on the PAS website.

Accreditation Statement
This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the Institute for the Advancement of Human Behavior (IAHB) and the Pediatric Endocrine Society (PES). IAHB is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation Statement
IAHB designates this live activity for a maximum of 14.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
